Terms and Conditions:

The following Terms and Conditions under this Payment Authorization Agreement ["Agreement"] between the ["Customer"] and JSC Terminal, LLC dba Midwest Terminal ["MWT"] are hereby entered into between the parties. The Customer authorizes MWT to initiate ACH debit and/or credit entries for all invoices due on the account in addition to adjustments for any amounts transacted in error to the asset account indicated below: Choose only one payment method below: **EFT*** or **Credit Card****. All amounts from the Customer transacted by MWT are based on agreed and pre-established payment terms. The Customer authorizes the Depository or Credit Card Merchant Bank to accept all transaction amounts to the Customer's asset account mentioned herein. This Agreement shall remain in effect continually and 30 days after MWT has received written cancellation for EFT payments, provided all amounts due for product and services have been paid, or until the current information provided has reached the expiration date for Credit Card payments. If any banking transaction returns from insufficient funds, errors in information, or from other reasons, Customer agrees to pay the maximum amount allowed by law and make full restitution of all related fees and amounts due regardless of payment method.

() Payment by EFT: ** Payments made by EFT are fee free and preferred.*
